SUPERVISOR LIPSCOMB STATEMENT ON GMC REPORT

Milwaukee, WI – Milwaukee County Supervisor Theodore Lipscomb released the following statement in response to the Greater Milwaukee Committee (GMC) recommendations for Milwaukee County:

“As a County Supervisor representing parts of Glendale and the City of Milwaukee, I support the goals of increased efficiency, greater transparency and accountability in Milwaukee County government.

“However, I am vehemently opposed to specific suggestions that create more layers of government, reduced representation or inflexible financing schemes. These proposals need to be debated in sufficient detail.

“The opinion of 400 survey respondents is no substitute for vigorous debate of our nearly one million citizens.”
